Re: *Troika Media Group, Inc., et al. v. Nicola Stephenson, James Stephenson,*
and AllMac LLC, Index No. 19-CV-00145 (ER)

Dear Judge Ramos:

We respectfully request an opportunity to submit a short memorandum in reply to defendants' opposition papers to address the defendants' Law Firm's conclusory allegation of "mistake" which we intend to show is an improper characterization of what occurred and is inconsistent with the services described and for which the Company was billed. Our reply will also distinguish the June 19th Decision in *Maiden Lane Hospitality Group LLC v. Beck, By David Companies, Inc.*, 2019 WL 2417253 (S.D.N.Y. 2019), referenced in footnote 12 of defendants' Memorandum of Law.

We believe a short reply is necessary so that the Court can have a more complete record regarding the defenses that have been raised on the disqualification issue. We require no more than three pages and can serve our reply by the end of the week.

Thank you for your kind consideration of this request.

Respectfully submitted,

Feder Kaszovitz LLP
